### Kroon Wire Harnesses

I am replacing the engine wiring harness in my 74 targa. The harness has a lot of splicing and was in pretty rough shape. I am also changing out the points to a pertronix ignitor 2 so I figured I would replace both at the same time. I bought a new harness from partsclassic that is already pre-wired for a pertronix.

### help replacing engine wiring harness and pertronix ...

This inline fuse/harness came on all 87-89 911 with A/C and was designed to protect the front condenser fan motor from the well known problem those in the 911 community call "meltdown". Earlier cars can easily be updated with this simple plug and play harness.

I also have a 1974 911 Engine Wiring harness (that sure looks like A LOT more than the one advertised as an engine wiring harness for \$195) that I bought from AL at Parts Heaven years ago. It's used and that's about all I can say. \$200 OBO I hope the pics tell the story because I never had the need to use either.
