An American Son A Memoir

An American Son: A Memoir, Rubios autobiography, details his entry into politics and his remarkable election to the U.S. Senate in 2010, and of course, his familys exile from Cuba Now, I don't hate Republicans (or for that matter, Democrats), and I'm reviewing this book solely on its content — and I'll take Rubio's word that everything is true in the book to the best of his
