Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

## Colored Pencil Guide How To

Research each brand before purchasing. Explore different types before settling on one! Throw out the original box and fasten with rubber bands separated by colors. Be careful of lead breakage and avoid dropping your colored pencils. Select a paper that has a bit of tooth to it to help the pigment ...

## The Ultimate Beginner's Guide to Colored Pencils - The ...

Burnishing: layers of colored pencil applied with strong, even pressure so the colors blend or intermix, completely covering the paper with a smooth solid color; a stump or tortillon or a smooth metal tool rubbed with even, heavy pressure in a circular motion against a deposit of color will also burnish the color. Burnish light-colored areas first.

## Drawing with Colored Pencils | Lessons for Beginners

We start by taking a textured surface like a leaf or anything else with bumps and ridges and place it underneath our drawing sheet. We rub our colored pencil (s) over the surface. The texture starts to appear on our drawing. A thicker sheet of drawing paper would not give as good a result as a thinner one.

## Learn How To Use Colored Pencils | 12 Brilliant Beginner ...

Learn how to blend colored pencils with 4 popular blending methods: burnishing with pencils, blending solution, a white pencil or a blending pencil.

## How to Blend Colored Pencils: A Beginners Guide by Colour ...

Producing a nice even color with your coloring pencil is all down to pressure. Push harder on your page for darker coloring, applying little pressure will producer a much lighter color. It is tempting to put lots of pressure on the pencil to produce the darkest color - don't do it! Too much pressure will likely cause you to break your pencil leads, produce a scratchy finish to your coloring and give you less control. Tickle the paper with a circular motion.
