Fever-Tree

In 1998 he joined a London-based advertising and branding agency. Subsequently, he launched the Business Development Consultancy which included identifying opportunities in the premium food and drink sector. It was in this role that he made contact with Charles Rolls, which resulted in the formation of Fever-Tree.

Fever-Tree

Fever Tree: The Art of Mixing: Recipes from the world's leading bars is a really nice book that deals with mixers, but goes in depth into quinine and tonic water. I had no idea that the origins of tonic water were so complex or the history so long and complicated but apparently, even these simple basic ingredients make a huge difference ...
