### The Engine Room - Wikipedia

Contemplating the Engine Room is a punk rock opera by Minutemen veteran Mike Watt. Released in 1997, the album is a punk rock song cycle that uses navy life as an extended metaphor for both Watt's family history and his first band, the Minutemen. The album was critically well-received, though not universally. The cover art features a picture of Watt's father in his Navy uniform.

### Contemplating the Engine Room - Wikipedia

The engine room is generally the largest physical compartment of the machinery space. It houses the vessel's prime mover, usually some variations of a heat engine (diesel engine, gas or steam turbine). On some ships, there may be more than one engine room, such as forward and aft, or port or starboard engine rooms, or may be simply numbered.

### Engine Room

Engine Room vs. Boiler Room vs. Fire Room. I think some differentiation is needed for the above terms. However, I am not completely sure of the differences (or synonymosity) myself. I would like to emphasize its inclusion in the article; not just an answer provided here. -Noha307 22:43, 8 July 2011 (UTC) Done.
