The heart that bleeds : Latin America now ...

Despite the overblown claims by David Remnick on the cover of this book, where he calls Alma Guillermoprieto Latin America's Orwell (The New Yorker writers should have the good sense not to proclaim each other's brilliance in public), this collection of letters, originally written for that magazine between 1989 and 1993, offers many fascinating insights. Guillermoprieto focuses principally on ...

The Heart That Bleeds Summary - eNotes.com

Alma Guillermoprieto's "The Heart that Bleeds" is an excellent companion to any more general Latin American history book. Providing thirteen case studies of great Latin American cities at different times from 1989-1993, this book reveals the "real" aspect of Latin America that is so difficult to attain in a "history" book.
