The Oera Linda Book From

The Oera Linda Book is a manuscript written in a form of Old Frisian, purporting to cover historical, mythological, and religious themes of remote antiquity, from 2194 BCE to 803 CE. Among academics in Germanic philology, the document is widely considered to be a hoax or forgery. The manuscript first came to public awareness in the 1860s. In 1872, Jan Gerhardus Ottema published a Dutch translation and defended it as genuine. Over the next few years there was a heated public controversy, but by 1
