Unexpected Consequences (2011) About book: Another winner from Cara Bristol. I think I'm becoming addicted to this genre. Who knew domestic discipline was such a turn on? A lot of people apparently. I'll admit that I had a hard time warming to Melania. She was so naive. She grew up in a home were her father was a member of the Rod and Cane Society.

After reading the first book in the series, Unexpected Consequences, I figured I was done with this genre. But I really like Cara Bristol's writing style so I went against my fighting ability and bought this book. Emma Dupree is a journalist looking for her big break in journalism while working a boring dead end job.

Review: False Pretenses by Cara Bristol - Delighted Reader

review 1: I really loved the play between the main characters their jobs and the discipline aspect. The dichotomy well, it really made me think about it and them. I actually found myself talking to the hubs about it.The secondary character Liz really helped to develop both characters.The only reasons it didn't get a 5 from me is that there were a few parts that seemed a little out of character.
