Pathogen-Derived Resistance and RNAi. Researchers have long observed that transgenic plants expressing genes derived from viral pathogens often display immunity to the pathogen and its related strains (Lomonosoff, 1995). These results led to the hypothesis that ectopic expression of genes encoding wild-type or mutant viral proteins could interfere with the viral life cycle (Sanford and ...

Genetic Engineering for Disease Resistance in Plants ...

By: Diane Mays, Kim Richter, Lucy Bradley, Julie Sherk, Mark Kistler, Joe Neal 2018. This Plants Grown in Containers chapter from the Extension Gardener Handbook teaches gardeners about selecting appropriate plants and containers, and their maintenance. Both indoor houseplants and outdoor container gardening are covered. Container Gardening ...

learning loss when schools are closed, particularly in areas where learning resources are lacking in the household, requires outside-school interventions that can substitute instead of complement on-going instruction. Doing so at scale requires low-technology solutions that can reach as many families as possible.
