How you've heard it: "She's a millennial, so she's very entitled." What it means: Having, or believing one has, the right to something. People use "entitled" to mean "privileged," and that's accurate. But they also use it when they should just be using the word "titled" to describe the name of a TV series, podcast title, etc.—as in, the seventh Star Wars movie

Should Know does what it says on the cover. The words are catalogued under different sections, and include an often humorous description of their correct use. That said, many of you will know most of the words listed as well as their correct usage, so the book only really teaches you anything for less than half of the time.
